Healthwatch Salford Business Plan 2021/22

Aim 1: Seeking the views of people on their experience of needing or using health, public health and social care services.

Aim 2: Seeking the views of people whose voice and views are seldom heard and reduce the multiple barriers that some people face in being heard, we will then use their views to bring about improvements.

We want more people to get the information they need to take control of their health and care, make informed decisions and shape the services that support them
